

Greater Latrobe Track Booster Club

2022 Season Fundraisers

Each athlete is asked to participate in one of the following fundraiser options: 1) a Direct Donation to the Booster Club (\$50.00 per student-athletes or \$75.00 per family) or 2) a team sponsorship from a business. Due to Covid-19 mitigation procedures and minimal participation in the past, the booster club will not hold a separate option to sell any products.

The majority of our booster club revenue is usually generated through our concession stand sales. We will be asking for volunteers to work in the concession stand. In addition to our home meets, we host three major events – the Lady Spartan/Wildcat Invitational, the Westmoreland County Coaches Association (WCCA) Championships, and the Westmoreland Area Athletic Directors Association (WAADA) Championships.

The booster club purchases time at Creekside Activity Center for preseason/indoor/increment weather track workouts, varsity and junior high team T-shirts, senior gifts, end of season gatherings for both the varsity and junior high teams, and any equipment, supplies, etc., that the teams need as they arise during the season.
