

**Greater Latrobe Track Boosters Club**  
***2022 Spring Corporate Sponsorship/Corporate Advertising***

For the 2022 spring outdoor season we are looking for corporate sponsorship/advertising for the Greater Latrobe Track and Field team.

A \$100.00 sponsorship/corporate advertising donation includes the following:

- Business name on a banner which will be displayed at all varsity and junior high track meets at Latrobe Memorial Stadium. These track meets include all dual meets and also the Lady Spartan/Wildcat Invitational, the Westmoreland County Coaches Association Track and Field Championships (varsity), and the Westmoreland Area Athletic Directors Association Track and Field Championships (junior high/middle school) that bring multiple schools in and around Westmoreland County to our stadium.
- Business name listed on School, Invitational, Championships and Stadium Record pamphlets available to all participants and their families on days of meets.
- Business name as a sponsor listed on the back of our athletes' team t-shirts. These t-shirts are given to our athletes by the booster club.

We are asking for the sponsorship/advertising donation to be returned by **Monday, March 14, 2022**; this will ensure inclusion on the team t-shirts.
